## Organize & View

All your photos, videos & music in one place

- Easily download from your memory card, camera, camcorder or mobile phone
- Quickly organize, find and view your photos, videos and music together by folder, album, date, rating or tag

## Get Creative

Make movies, photo books, calendars, collages, cards & more

- Use professional-looking templates to quickly produce great photo projects
- Turn video clips into polished movies instantly with automatic movie templates that add Hollywood-style openings, soundtracks and credits to make your movies look amazing

## Express Edit

Enhance photos & videos in minutes

- Crop, rotate and sharpen photos, remove red eye, adjust brightness and more with a few clicks
- Use the QuickCut timeline to view and trim your video

## Back up & Share

Preserve your projects in many ways

- Back up and burn your photos and movies to CDs and DVDs
- Upload photos and videos and share them with your friends on Facebook™ and Flickr™
- Upload videos and movies to your YouTube™ account, or copy to iPod®, PSP® or mobile phone

\*Touch-screen monitor required.
