Organize & View

All your videos, photos & music in one place

- Easily download from your camcorder, memory card, camera or mobile phone
- Quickly find and view your videos, photos and music by folder, album, date, rating or tag

Get Creative

Make your own movies in minutes

- Turn video clips into movies instantly with professional-looking templates that add Hollywood-style openings, soundtracks and credits
- Easily record your own narrative, or add titles to your movies

*Touch-screen monitor required.

Express Edit

Video editing made easy

- Use the QuickCut timeline to view and trim your video. It's simple, even for beginners
- Easily fix common problems like bad lighting or shaky video
- Edit and enhance standard and HD video

Back up & Share

Back up and burn on DVD, upload to web, or save for mobile devices

- Back up your movies on DVD
- Share with family and friends on DVD, iPod®, iPhone™, PSP® or other mobile devices, or upload to your YouTube™ account
